
Stand-Up Minutes

Week of: June 22nd - June 28th

June 25th

Meeting Type	Team Stand-Up
Attendees	Everyone - Calvin, Shahveer, Niveetha, Abdul, Shamrita

Discussion and Progress

- Sprint 2 will focus on completing Use Case 2 and Use Case 3.
- For Use Case 2, users should be able to click on a province, and be directed to the corresponding ridings map.
- Once a specific riding is selected, a summary panel should appear on the right side displaying key riding statistics.
- Filtering functionality still needs to be added for ridings, including the ability to filter by year across different riding maps.
- The team will also begin researching login/authentication requirements and determine how the data should be displayed after login.
- Use cases and the class diagram will need to be updated to reflect the Sprint 2 scope and planned features.

Decisions Made

- The team will move forward with Sprint 2 development, focusing on Use Case 2 and Use Case 3.
- Work will be divided based on the assigned use cases and supporting tasks.
- The use cases and class diagram will be revised to align with the current sprint goals.
